

HEMLATA

Empowering role models, transforming communities.

Diwali is a time of new hope and joy - a celebration of light, renewal, peace, and prosperity. Growing up in India, it was a tradition I always looked forward to: homes filled with warmth, colour, family, food, and the quiet promise of new beginnings.

DIWALI GALA

OCTOBER 31ST, 2026

HEMLATA's Impact for Her Fellowship provides young women with access to university education and HEMLATA's #ShapingHERfuture Skills Academy, which includes mentorship, life skills, development skills, and career skills.

Every two years, HEMLATA's Diwali Gala brings together our community to celebrate this journey and raise support for the next generation of Scholars. This year is especially meaningful as we welcome our largest cohort to date and see our Fellows begin to pay it forward for the young women who follow.

We are delighted to invite you to an unforgettable evening of community, celebration, Indian fusion cuisine, and shared purpose.
